ABOUT RENTING

DELIVERY AND PICKUP

Our delivery charge includes door to door delivery only. Items, including tables and chairs, will be stacked neatly in a pre-arranged place. Please do the same to be ready for pick-up. If you need equipment carried further please specify as this may cost extra.

RETURN

We do **not** require that you wash any of our rental items. We do require that food be **rinsed** off plates and that glasses are emptied. All items must be returned in their containers. **Cutlery in cutlery bins, linens in bags, plates and cups in crates.** Items returned not meeting these conditions are subject to additional charges.

RESPONSIBILITY

Responsibility for rented items remains with the lessee from time of delivery to time of return. Please be sure equipment is secured when not in use and protected from the weather. Replacement charges are made for missing, damaged or broken items.

REFUNDS

There are **NO refunds** on rental items that are not used (even if the wrapping has not been removed). Our policy is to re-wash every item that leaves our premises.
